This request covers any document that pertains to the presence of asbestos at the above locations at any point. It includes, but is not limited to, any document referring or alluding in any way to asbestos or the potential for asbestos at the locations listed above. We request that your agency provide all documents relating to asbestos-containing products, asbestos testing, abatement, or remediation, any asbestos management plan proposed or initiated (whether or not conforming to EPA guidelines), National Emissions Standards for Hazardous Air Pollutants (or state equivalent) records, Asbestos Hazard Emergency Response Act (or state equivalent) records, and/or anything else related to asbestos at the locations listed above.

Please note that the term "document," as used herein, refers to any kind of written, typewritten or printed material and shall include, without limitation, notes, internal or external memoranda, correspondence, letters, electronic mail, log entries, reports, telegrams, spreadsheets, databases, calendar entries, records, drafts, working papers, publications or hard discs and printouts there from within your agency's possession, custody or control. This request includes all responsive documents in their entirety, including each attachment, enclosure and exhibit.

In addition to inspection, we would like to discuss the possibility of a complete production of the documents responsive to this request. The requester is a commercial user for fee purposes. Please provide me with a fee estimate for this request. If you determine that some portions of any of the requested documents are exempt from disclosure, or require redaction, please explain the reason for the exemption or redaction.

Should you have any questions regarding this request, please do not hesitate to contact me at (202) 538-8192.

Very truly yours,
